

## Parcel pickup authorization

If you can't pick up your parcel from the ParcelShop, just hand a person of your choice an informal written authorization. It should include your name and address, as well as the name and address of the collector. The authorized person must bring the authorization and a valid identity card or passport.

Herewith I permit the following person to pick up the parcel addressed to me:

Name of authorized person:
Street number:
Postal code city:
