

## Parcel pickup authorisation

If you can't pick up your parcel from the ParcelShop, just hand a person of your choice an informal written authorisation. It should include your name and address, as well as the name and address of the collector. The authorised person must bring the authorisation and a valid identity card or passport.

Herewith I permit the following person to pick up the parcels addressed to me:

<hr/> <p>First name and family name of the authorised person (BLOCK LETTERS)</p> <hr/> <p>Street, number</p> <hr/> <p>ZIP code, city</p>
--

<hr/> <p>First name and family name of the constituent (BLOCK LETTERS)</p> <hr/> <p>Street, number</p> <hr/> <p>ZIP code, city</p>
--

<hr/> <p>Place, date</p> <hr/> <p>Signature constituent</p>
