

Special delivery areas

To islands that are not covered by our own delivery network, we deliver in cooperation with HPDD according to the following service restrictions:

- maximum weight: 10kg
- maximum length: 1,5 m
- maximum volume: 3m
(3m = 2x height + 2x width + 1x length)
- transit time: 48 - 168h
- activation of additional services other than cash on delivery is not possible
- transportation fees are charged according to the price list for Zone 2.

List of places and postal codes to which the specified restrictions apply
