

2025 List of Resolutions? We've thought about it for you!

If you need to find a logistics partner to support you with your deliveries and provide the flexibility your customers require, we are here for you!

We have considered multiple proposals for:

- **Reaching your buyers throughout the entire Italian territory** → discover our solutions for your [express and high-value shipments](#)
- **Expanding your network of destinations beyond national borders** → find out how to [ship envelopes, packages, and pallets in](#)

[Europe and beyond](#)

- **Designing your delivery service "tailored to your needs"** → explore all the customization possibilities offered by our [Additional Services](#)
- **Allowing you to manage shipments through GLS Points** → see how to simplify the life of online shoppers by providing a [widespread network of pick-up points](#).

When drafting the list of future objectives, don't forget to include a reliable logistics partner: we'll help you turn resolutions into reality.

Happy New Year and great teamwork ahead!
