Press release

**GLS Poland becomes partner to the most important speedway events in the world
[VIDEO]**

The parcel delivery company GLS Poland has become an official partner to the FIM Speedway Grand Prix series in 2018 and the brand new Monster Energy FIM Speedway of Nations. In this way, the company is once again supporting Polish speedway and events related to it. The organisers expect that the championships will attract as many as 100 thousand fans.

GLS Poland, a quality leader in the European parcel delivery business, has become an official partner to the Polish events of the FIM Speedway Grand Prix series in 2018 and Monster Energy FIM Speedway of Nations, the Finals of which will be held in June in Poland.

- We're always very close to the world of sports. It's already our second season as the General Sponsor of the Polish National Speedway Team. We want to be with the riders not only during friendly contests but also at the most important events. We're very happy that we can support the FIM Speedway Grand Prix 2018 and the new formula for the world championships, which is Monster Energy FIM Speedway of Nations. I'm certain that when the eyes of the whole world are upon Poland, the riders will deliver a lot of positive emotions to the fans - says Tomasz Kroll, Managing Director at GLS Poland.

The FIM Speedway Grand Prix 2018 events that take place in Poland will be held in three Polish cities: Warsaw (May 12), Gorzów (August 25), and Toruń (October 6). On June 8 and 9, 2018, 15 national speedway teams comprising two riders and one U21 substitute will compete at Wrocław's Olympic Stadium for the Finals of the Monster Energy FIM Speedway of Nations. Poles, who play host to the event, are certain to reach the Finals. The parcel delivery company GLS Poland already acted as a partner to the Team World Cup - Monster Energy FIM Speedway World Cup in 2017.

Torben Olsen, Managing Director of FIM Speedway World Championships enthuses about the partnership: *- We are delighted to both welcome back GLS for 2018 and see them extend their involvement in our sport. They have been fantastic supporters of speedway, particularly in*

Poland, where the SGP series and Monster Energy SON attract huge interest. I'm sure they will benefit from the exposure that brings them and we look forward to welcoming them to all our Polish events in 2018.

Under the two-year agreement, GLS Poland is entitled to use the title of "official partner to FIM Speedway Grand Prix 2018" and "official partner to Monster Energy FIM Speedway of Nations 2018". The parcel delivery company's logo will appear on advertising banners and screens at the Polish SGP events, on walls during press conferences, and in event programmes. Additionally, the company will deliver the FIM Speedway Grand Prix and FIM Speedway of Nations trophies to the places where the events will be held. GLS Poland is also going to become involved in relations with the spectators by ensuring special attractions before or during the contests.

GLS Poland and GLS Group

GLS Poland is a subsidiary of General Logistics Systems B.V. (headquartered in Amsterdam). GLS realises reliable, high-quality parcel services for over 270,000 customers, complemented by logistics and express services. "Quality leader in European parcel logistics" is GLS' guiding principle, sustainability being one of the core values. Through wholly owned and partner companies, the Group provides a network coverage of 41 European and seven U.S. states and is globally connected via contractual agreements. Over 70 central and regional transshipment points and more than 1,000 depots are at GLS' disposal. With its ground based network GLS is one of the leading parcel service providers in Europe. GLS counts 17,000 employees and every day around 26,000 vehicles are on route for GLS. In the financial year 2016/17 GLS achieved revenues of 2.5 billion euros and transported 508 million parcels.
