GLS General Logistics Systems Romania SRL

I. General

Data controller

GLS General Logistics Systems Romania SRL (GLS Romania) is a subsidiary of General Logistics Systems B.V., Amsterdam. GLS Romania performs reliable and high quality parcel services as well as express deliveries and logistics related value added products.

Personal data

Personal data includes particulars on personal or factual circumstances of a specific or determinable individual person. This includes for instance information such as name, address, telephone number and email address.

Information that cannot be linked to a specific or determinable individual - such as statistical data - is not considered as personal data.

Data subject

Identified or identifiable natural person who visits or use our website.

Applicable Data Protection Law and Commitment to Data Secrecy

GLS Romania performs data management in compliance with the applicable rules on data management, especially with regard to the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (GDPR), and the Emergency Order No. 13/2013 on Postal Services, which governs the activities of our Company, as well as the special provisions of Act CVIII of 2001 on electronic commerce services and certain issues relating to the information society.

Our company's activity is based and governed on the Romanian regulation (Emergency Order No. 13/2013). According to this regulation the postal service provider (GLS Romania) may use and handle data received in connection with performance of postal services or during the performance of the service as a data controller.

Information Security

By means of technical and organisational security measures, GLS companies do their best to protect personal data from loss or misuse.

Personal data is processed only in systems which are protected by appropriate security measures.

GLS Romania will modify the security and data protection measures as much as necessary in the light of technological progress.

Data Subjects Rights

GLS Romania respects the fundamental rights and freedoms of data subjects. GDPR increases the privacy rights of the data subject. Under this regulation you have the right to:

- be informed about and have access to your personal data processed (Right to be informed and Right of access according to Art. 15 GDPR);
- obtain the correction of inaccurate personal data (Right to rectification according to Art. 16 GDPR);
- obtain deletion of your personal data (Right to erasure according to Art. 17 GDPR);
- restrict processing (Right to restriction of processing according to Art. 18 GDPR);
- receive your personal data provided to us (Right to data portability according to Art. 20 GDPR);
- object to processing data on grounds relating to your particular situation based on legitimate interests or the performance of a task in the public interest (Right to object according to Art. 21);

Provided that the necessary legal requirements are fulfilled.

Withdrawal of Consent

In case your consent has been requested for the processing of your personal data, please be informed that you have the right to withdraw that consent at any time in the future, without affecting the lawfulness of the processing based on the consent before its withdrawal.

Exercising your Rights

If you want to exercise your rights as a data subject or withdraw an explicit consent given please send a message to the Data Protection Officer of GLS Romania explaining what right you want to exercise so that GLS Romania can take the necessary further steps to respect your rights.

II. Use of GLS website

When using the websites of GLS Romania, especially www.gls-romania.ro and <https://gls-group.eu/RO/ro/>, please consider the following:

Collection, Processing and Use of Personal Data

Each time a user accesses a GLS website, data is saved in a log file. The following specific data is temporarily recorded:

- IP number of the querying computer
- Domain name
- Date and time of access
- HTTP answer code
- Visited pages
- Operating system with version
- Browser with version
- Screen resolution

The log file data is anonymously analysed for statistical purposes. Statistical reports are used to evaluate the usage of the GLS websites. In particular, the order in which the pages are visited and the path taken between pages is shown. This is intended to give GLS Romania an indication how the usability of the website can be improved further.

Cookies

To use the websites of GLS it may be necessary for servers of GLS to set cookies. These cookies are used for the technical administration of the website. Every visitor can configure his/her browser to refuse cookies. All visitors have the right to refuse cookies. Unless the consent of the user is given, no cookie data will be saved on the computer of the visitor. In this case no data will be saved on the visitor's computer. It may be that you cannot use all functions of the website to the full extent when cookies are disabled.

Contact form

The GLS website is divided into open and closed area. The closed area partly serves to fulfil the collaboration between the customer and GLS and is only accessible after login with an individual user name and password. Among other functions the open area provides the user with an E-mail contact form, "Track and Trace", and the Parcel Shop search. Data entered in the scope of an enquiry via the E-mail form such as name, street, postcode, city, etc. is required by us in order to process your enquiry. Forwarding, sale or any other means of transfer of your personal data to third parties does not occur.

Google-Analytics

The GLS website uses Google Analytics, a web analysis service of Google Inc. ("Google"). Google Analytics uses so called "cookies", i.e. text files that are saved on your computer, allowing an analysis of how you use the website. The information about your use of this web site, generated by the cookie (incl. your IP address), is transmitted to a Google server in the USA and saved there. If IP anonymisation is activated on this website, your IP address is shortened before transmission in member states of the European Union or other contractual states of the agreement on the European Economic Area. Only in exceptional cases the full IP address is transmitted to a Google server in the USA and shortened there. Google will use this information in order to analyse your use of the website, to compile reports about the website activities for the website operator and to perform further services that are connected with the website use and the internet use. Moreover, Google will transmit this information to a third party when indicated, as far as this is legally mandatory or as far as a third party is processing this data on behalf of Google. Google will in no case connect your IP address with other data of Google. You can avoid the installation of cookies by adjusting the according settings of your browser software; however we would like to point out that in this case you might not be able to use all functions of this web site to the full extent. Furthermore you can block the registration of the data created by the Cookie (incl. your IP address) and related to your use of this website and the processing of this data by Google by downloading and installing the browser plugin available under <http://tools.google.com/dlpage/gaoptout?hl=en>.

The GLS website uses the Google Analytics extension „gat._anonymizeIp();“. This ensures anonymised registration of IP addresses ("IP masking").

Newsletter

GLS Romania – until withdrawal of the consent – is allowed to send newsletter to those customers who have previously agreed to send a newsletter to a given e-mail address. The database of the newsletters includes the name, email address and the time of the given consent or withdrawn consent. Data subjects have the right to withdraw their consent any time, they just have to click on the link included in the newsletter, write a letter to info@gls-romania.ro or contacting the customer service of GLS Romania. The newsletter database is only used for sending newsletters.
